September 1st, 2009

It's cute, quirky, tongue-in-cheek, retro glam and we love it! The [Cobwebs](#) range has been added to our ultimate gift list - check out this great online shop to get some very cool and funky teatowels, napkins, luggage tags, passport wallets, sleeping masks, curtains, throw cushions and beauty accessories for ladies with high fashion taste and a great sense of humour. With christmas fast approaching, we have already sourced some gal-fab inspired pressies for our girlfriends! www.cobwebs.com.au
