

### Drink up

Gorgeous drinkware is certain to delight guests – just don't save it for them only! This Malmaison goblet and lovely linen napkin make the perfect pair.

### Fruity feelings

If summer scents are your greatest wish, then Urban Rituelle's Sweet Treats Collection should entice you. We love the Peach Blossom Creamy Vegetable Soap, \$9.95, the Peach Blossom Soy Wax Candle, \$16.95 and the Peach Blossom Eau De Parfum, \$34.95.

### Little faces

Add some character to your lounge with these wonderful linen cushions from Cobwebs. With such cute vintage prints on the front, they're a decorating talking point, \$45.95.

### The royal feeling

Add a sense of French opulence to your home with this Christophe Living chair in royal purple fabric. It would look wonderful anywhere – as a spot for taking tea, sitting at the dining table, or lounging in your bedroom.

### Mix and match

Searching for the complete bedroom setting without that run-of-the-mill look?

This fabulous bedhead, chair and side table with coordinated fabrics will make your bedroom a haven. They're all from Wholesale Heritage Furniture.
